ASSO. GERMAN DOCTORAL RESEARCHER

DECEMBER 2024

## FUNDING DIFFERENCES SURVEY

We are running a short survey on the differences of working conditions according to funding model. To take part, ask your local representation for the survey link.

## ANNUAL GENERAL MEETING 2024

We met in Göttingen and discussed our strategy for the next years, welcomed new representations into the association, and had a lot of fun. If you want to partake in the ongoing work on the strategy or in other working groups, reach out to us!

### A NEW EXECUTIVE COUNCIL:

At our AGM in Göttingen we elected the next spokespeople Benita and Luisa, and the next executive council. We are looking forward to work together with you

## WHAT IS HAPPENING FOR PHDS?

- We are now representing over 50% of all PhDs with a local doctoral council.
- We were invited to the autumn meeting of the 'Promovierenden Initiative', where we discussed common PhD topics and got to know their work.
- The proportion of female professors has again increased and now stands at 29%.
