ASSO. GERMAN DOCTORAL RESEARCHER

JANUARY 2026

GREAT WOMAN IN ACADEMIA

We are looking for stories and examples of important women at your uni or in your field of research. Reach out to us to feature them in a future blog post of ours.

HELP US COMMUNICATE OUR IDEAS WITH THE WORLD

Share your PhD experiences! For our “PhD 101” series, we’re looking for tips, resources, and personal insights. Send us your contributions for the next newsletter — we would love to feature your voice!

GET TO KNOW OUR NEW EXECUTIVE COUNCIL

We have had our first council meeting in the beginning of January and discussed what we want to achieve this year. Do you have any questions about our work or would like to support us in a working group? Reach out by email!

WHAT IS HAPPENING FOR PHDS?

- Unions are preparing for further wage negotiations and possible strike actions. Do you know your local union members? Are you informed about strike actions in your city?
- Multiple math associations are asking for better handling of Germany's role in AI in a new statement paper.
- The *Wissenschaftsrat* started anew the discussion about employment structures in academia with a detailed publication.
