ASSO. GERMAN DOCTORAL RESEARCHER

NOVEMBER 2025

## THE AGM IS OVER BUT STILL VOTING

Our AGM was a great event, but sadly we did not meet the quorum. Take a look into the protocol and discuss the open decision in your local council, and send your vote in!

## MENTAL HEALTH IN ACADEMIA

Mental health is an important topic that is very personal for a lot of us. Often it seems that all of us suffer under the working conditions and lose the fun to research. What are your experiences with mental health?

## A NEW EXECUTIVE COUNCIL

At our Annual General Meeting (AGM) we elected the next executive council. But some offices are still vacant: an IT Officer, a membership officer and a programmatic officer. Feel free to throw your hat into the ring!
